EVENT SERVICES & POLICIES

DELIVERY AND PICKUP:

Delivery and pickup is available on all orders. We will deliver on time, on the day we promise. Orders are typically delivered 1-2 days prior to your event. Standard delivery and pickup charges are for curbside delivery. We offer additional services if your rental items must be taken to a different floor or carried long distances from the delivery truck. Our products are delivered in an enclosed box truck ensuring the products arrive to your event clean and dry. Our installers are trained and will arrive in uniform. While standard delivery rates apply in most circumstances; distance, complexity, and requests for exact timing may result in additional charge.

SETUP AND TEARDOWN:

All of our tent pricing includes complete setup and teardown of the tent by our trained professionals. We do not offer do-it-yourself tent setup or teardown options. Setup and teardown services are available for tables and chairs for an additional price. Arrangements for these services must be made in advance of delivery or pickup. Please call us to arrange for these services and to receive a quote.

RENTAL RATES:

All rates listed herein and on our website (www.gen-rent.com) are based per event. Weekend rates are available on select items. Please contact us for long-term (>48 hours) rates. All rental rates are subject to change without notice.

RESERVING EQUIPMENT:

Demand for party and rental equipment tends to peak at certain times of the year, making it vitally important to place your reservations well in advance of your event. Due to the demands of scheduling and transportation, we allow changes to party orders until 48 hours prior to delivery.

PAYMENT TERMS:

The full balance of your order is due at the time of delivery. Accounts can be established for repeat customers (subject to credit approval and credit terms.)

We offer folding chairs and garden chairs!

While most others rent a metal frame folding chair, in which the painted frame scratches and then rusts; our chairs have an aluminum frame, providing a rust-free look. All of our folding chairs are cleaned in our "chair washing machine" and we also inspect and replace the chair fee to prevent rocking/sinking and damage to floors.

Our white garden chairs are "wedding" or "A" quality. They have a resin frame & back with a 1/4" padded seat. Our garden chairs are hand washed and the chair cushions are inspected and replaced if damaged.

CHAIRS

Black - Molded Plastic Back & Seat w/ Aluminum Frame	\$2.25
White - Molded Plastic Back & Seat w/ Aluminum Frame	\$3.00
White - Resin Back & Frame w/ 1/4" Padded Seat	\$4.25

Tables and Chairs are the building blocks of most parties and events.

We provide a full range of options, from basic folding chairs, to classic wedding chairs.

Seating Tip.

To decide what size tent you will need, it is often best to first outline your seating and table arrangements.

Our tables are wood with a polyurethane top which creates a super smooth, shiny finish. This gives you the option to utilize the table without need for any cover, cloth, or linen. Our tables also have a smooth metal edge to prevent broken corners or edges. We continually purchase new tables to keep our inventory updated.

All of our tents are white "wedding" or "A" quality. Our tents are cleaned in a tent washing machine to ensure a gray/dinge-free top. Our tents are also hand cleaned throughout the season. If a tent is taken down wet, it is wiped down and hung to dry at our facility. This ensures a clean and mildew-free tent. We continuously purchase new tents to keep our inventory to the utmost quality.
